JAPANESE COMPLETING THE FUSAN END OF THE FUSAN-SEOUL RAILWAY.

Japan has long owned a short railway line from Chemulpo, the port of Seoul, to the city of Seoul. Some time ago, seeing that war was inevitable, they began the construction of a railway from Seoul to Fusan, so that they would have land communication between ports on the two sides of the peninsula. The illustration shows the Japs at work completing the last link on the Fusan end of this road, which, it is expected, will be ready for business in a very short time. Fusan and Masampo, on the Korean strait, will then be in quick land communication with Seoul and Chemulpo, on the west.

BLACKED HIS EYE

"Don't you know better than to get mixed up with a prize fighter?" asked Judge Lindsay of Devachelle this morning. The latter appeared in court adorned with the black eye and charged with leading an assault on Silva, the "Punchbowl Demon".

As Devachelle seemed to have got much the worst of the encounter, the Judge was not very hard on him, but Silva, who had come out on top of a concerted attack by three or four aggressors, left the court surrounded with the retinue of admiring countrymen which has attached itself to him ever since the announcement of his bout with Ackermann.

Barry and Patton stayed indoors today putting in extra exercise at the box in lieu of their usual jog. Jackson and McDonald followed suit. The box office sale will start tomorrow at the Orpheum and all indications point to a general desire to see the last boxing program that can be brought off for some time to come.

Motherhood

MOTHERHOOD is the reward nature bestows upon healthy womanhood. Women whose vitality has been sapped by disease cannot safely give birth to children. In pregnancy and in childbirth weakness of the mother is revealed in the pain and agony she suffers.

This great medicine drives out every vestige of inflammation and weakness, and gives tone and strength to the delicate organs which mature the child. The pains of pregnancy are banished by Wine of Cardui, and miscarriages, which blast so many fond mother's hopes, are prevented. Flooding, which so often occurs after childbirth, is corrected when Wine of Cardui is used during pregnancy.

Wine of Cardui babies are healthy babies, because, during the months of pregnancy, the mother is able to give them necessary vitality and strength.

With these facts presented to American women no expectant mother should be satisfied with the inferiorment that Wine of Cardui will give her. Every mother should be able to treat herself in her home with this valuable medicine.

Wine of Cardui can be secured from any druggist at \$1.00 a bottle.

Polyarp, N. C., Jan. 11, 1902.

I am the mother of seven children and while in pregnancy with the first six suffered untold misery until they were born. One month before the seventh was born I began to take a bottle of Wine of Cardui, which gave me relief after taking three doses. I used the remainder of the bottle until the birth of the child, and was stouter in three days after the birth than I was in a month after the birth of either of the first six. I am 29 years old.

MRS. V. ELIZABETH STAFFORD.
